

it. Day

SIU CARBONDALE

2019

"Soft" registration is open for IT Day (March 14th)

That means that while we are doing our last minute tweaks to the registration site, we are letting you take a look at the sessions and register early.

This year, IT Day offers a full day of activities, with more than 30 presentations, working sessions, demonstrations, and tours. Whether you are passionate about technology, or trying to deal with it on a daily basis, you will find eye opening and thought provoking topics that apply to your work, your interests, and your life.

Look at our amazing line up and register today.

IT Day is FREE, and includes lunch for all registered attendees.

IT Day is **approved for 5.75 CEU/PD credits** (at no charge to attendees).
